- (d) For the avoidance of doubt, nothing in these conditions limits or seeks to exclude the Owner's liability for claims of death or personal injury caused by the Owner's negligence, fraud or for any other liability for which it is not permitted to seek to limit or exclude by operation of law.

In the event of loss of or damage to the Plant, hire charges shall be continued at idle time rates as defined in clause 25 until the settlement has been agreed. Payment of the settlement must be made within 21 calendar days of the date of the agreement or idle time charges can be reinstated from the date of that agreement. Should idle time charges be re-instated, the agreed settlement figure remains payable in full.

(c) Notwithstanding the above the Hirer shall not be responsible for damage, loss or injury:

- (i) prior to delivery of any Plant to the site (or, where the site is not immediately adjacent to a highway maintainable at the public expense, prior to its leaving such highway) where the Plant is in transit by transport of the Owner or as otherwise arranged by the Owner,
- (ii) during the erection and / or dismantling of any Plant where such Plant requires to be completely erected / dismantled on site, provided always that such erection / dismantling is under the exclusive control of the Owner or his agent,
- (iii) after the Plant has been removed from the site and is in transit on a highway maintainable at the public expense (or where the site is not immediately adjacent to a highway maintainable at the public expense after it has joined such highway) to the Owner by transport of the Owner or as otherwise arranged by the Owner,

(iv) where the Plant is travelling to or from a site on a highway maintainable at the public expense (or, where the site is not immediately adjacent to a highway maintainable at the public expense, prior to its leaving or after its joining such highway) under its own power with a driver supplied by the Owner.

14. NOTICE OF ACCIDENTS

If the Plant is involved in any accident resulting in injury to persons or damage to property, immediate notification must be given by the Hirer to the Owner by telephone and confirmed in writing to the Owner no later than 24 hours after such telephone notification. In relation to any claim in respect of which the Hirer is not bound to fully indemnify the Owner, no admission of liability, offer, promise of payment or indemnity shall be made by the Hirer without the Owner's prior written permission.

15. RE-HIRING ETC. Neither the Plant nor any part thereof shall be re-hired, sub-let, or lent to any third party without the prior written permission of the Owner.

16. CHANGE OF SITE The Plant shall not be moved from the site to which it was delivered or consigned without the prior written permission of the Owner.

17. RETURN OF PLANT FOR REPAIRS

If during the Hire Period the Owner decides that urgent repairs to the Plant are necessary then he may arrange for such repairs to be carried out on site or at any location of his nomination. In the event that urgent repairs to the Plant are necessary the Owner shall be obliged to replace the Plant with similar Plant if available, the Owner (but without prejudice to any of the provisions of clauses 9 and / or 13) paying all transport charges involved. In the event of the Owner being unable to replace the Plant he shall be entitled to terminate the Contract forthwith (but without prejudice to any of the provisions of clauses 9 and / or 13) by giving written notice to the Hirer. If such termination occurs:

(a) within three months from the commencement of the Hire Period, the Owner (but without prejudice to any of the provisions of clauses 9 and / or 13) shall pay all transport charges involved, or, (b) more than three months from the commencement of the Hire Period, the Owner (but without prejudice to any of the provisions of clauses 9 and / or 13) shall be liable only for the cost of reloading and return transport.

18. BASIS OF CHARGING

(a) The Hirer shall render to the Owner for each Working Week an accurate statement of the number of hours the Plant has worked each day. When any personnel, operator or driver is supplied by the Owner, the Hirer shall sign their time record sheets. The signature of the Hirer's representative shall bind the Hirer to accept the hours shown on the time records sheets.

(b) Full allowance will be made for breakdown periods resulting from mechanical or electrical faults or absence of driver or operator supplied by the Owner except where breakdown is due to acts or omissions of third parties and / or the Hirer's misuse, misdirection or negligence, subject however to the provisions of clause 8 of these conditions.

(c) Breakdown time in respect of such periods shall be allowed for not more than the Working Day less the actual hours worked. (d) Plant shall be hired out either:

- (i) for a stated minimum number of hours per Working Day or per Working Week or
- (ii) without any qualification as to minimum hours. Odd days at the beginning and at the end of the Hire Period shall be charged pro rata.

(e) Stoppages due to changing of tyres and repairs to punctures will be chargeable as working time up to a maximum of 2 hours for any one stoppage and any excess will be charged for at the appropriate idle time rates. (f) In the case of Plant which is required to be dismantled for the purpose of transportation, if the Owner agrees to a modification of the hire charge for the period required for assembling on site and dismantling upon completion of the Hire Period, such modification of the hire charge and the Hire Period for which it shall apply shall be stated in the Offer / Contract.

19. PLANT HIRED ON A DAILY BASIS WITHOUT QUALIFICATION AS TO HOURS

The full daily rate will be charged on a daily basis irrespective of the hours worked except in the case of breakdown for which the Owner is responsible, when the actual hours worked will be charged pro rata of the average Working Day. No hire charge shall be made for Saturday and / or Sunday unless the Plant is actually worked.

20. PLANT HIRED BY THE WEEK OR MONTH WITHOUT QUALIFICATION AS TO HOURS

The weekly or monthly rate shall be charged irrespective of the number of hours worked, except in the case of breakdown for which the Owner is responsible when an allowance pro rata of the agreed weekly rate or pro rata of the agreed monthly rate will be made for each full Working Day broken down calculated to the nearest half Working Day.

21. PLANT HIRED BY THE WEEK OR THE HOUR FOR A MINIMUM OF 39 HOURS PER WEEK

The full hire for the minimum period in the Contract will be charged and an additional pro rata charge will be made for hours worked in excess of such minimum period. Allowance will be made for breakdowns up to 8 hours except on Fridays when the allowance will be up to 7 hours providing always that where the actual hours worked are in excess of the minimum period less breakdown time, the actual hours worked shall be chargeable. Idle time for this purpose shall be treated as actual working time. The minimum Working Week of 39 hours shall be reduced by 8 hours Monday to Thursday and 7 hours Friday for each Holiday Period occurring in such Working Week, provided that the Plant is not in use during such Holiday Period.

22. "ALL-IN" RATES

Where "All-In" rates are charged by agreement the minimum period shall be as defined in the Contract and in accordance with the hire rates and terms contained therein, subject to the provisions of clause 26.

23. COMMENCEMENT AND TERMINATION OF CONTRACT (TRANSPORT OF PLANT)

(a) The Hire Period shall commence from the time when the Plant leaves the Owner's depot or place where last employed and shall continue until the Plant is received back at the Owner's named depot or other agreed location but an allowance shall be made of not more than one day's hire charge each way for travelling time. If the Plant is used on the day of travelling, full hire rates shall be paid for the period of use on that day. If more than one day is properly and unavoidably occupied in transporting the Plant, a hire charge at idle time rates shall be payable for such extra time, provided that where Plant is hired for a total period of less than one Working Week, the full hire rate shall be paid from the date of despatch to the date of return to the Owner's named depot or other agreed location.

(b) If the Plant is not made available for collection as agreed between the parties, such Plant shall be deemed with immediate effect to be placed back on hire. The Hirer shall be responsible for the safekeeping of the Plant in accordance with clause 13, and for all the reasonable costs and expenses incurred by the Owner in seeking to collect such Plant.

(c) Upon the completion of the Hire Period, the Hirer shall clean and where necessary, decontaminate the Plant. All fuel and contaminants will be removed from bunds, storage tanks and bowsers. The Hirer shall be liable for any costs, liabilities and expenses incurred by the Owner should the Hirer fail to comply with this clause.

24. HIRER'S LIABILITY DURING THE NOTICE OF TERMINATION OF CONTRACT

(a) Where the Hire Period is indeterminate or having been defined becomes indeterminate the Contract shall be terminable by seven days notice in writing given by either party to the other except in cases where the Plant has been lost or damaged. Notwithstanding that the Owner may have agreed to accept less than 7 days notice of termination, the Hirer's obligations under clause 13 shall continue until the Plant is returned to the Owner in accordance with clause 31 or until the Owner has collected the Plant within the 7 days following the acceptance of short notice. Oral notice given by the Hirer to the Owner's driver or operator shall not be deemed to constitute compliance with the provisions of this clause.

b) Without prejudice to clause 24(a), should the Hirer fail to make the Plant available for collection by the Owner before the end of the 7 day notice, the Hirer's obligations under clause 13 shall continue for a further 3 days or until such time as the Plant is made available for collection and the Owner has collected the Plant. For the avoidance of doubt, where the Hirer gives a notice pursuant to clause 24(a) but subsequently and with the consent of the Owner, withdraws such notice, the obligations of clause 13 shall continue to apply and the requirements of clause 24 will apply to any later termination of the Contract. c) If the Hirer terminates the Contract before the Hire Period commences, then the Hirer is liable for all reasonable costs and charges incurred by the Owner or to which the Owner is committed at the time of termination.

25. IDLE TIME

When the Plant is prevented from working for a complete Working Week, the hire charges shall be two thirds of the hire rate or such other idle time rate as is agreed in writing by the Owner for the period during which the Plant is not in use. If the Plant works for any time during the Working Day then the whole of that Working Day shall be charged as working time. In any case no period less than one Working Day shall be reckoned as idle time save for as provided for in clause 18(e). Where an "All-In" rate is charged, idle time is calculated on the machine element only. Full rate will be charged for the operator.

26. WAGES AND OTHER CHARGEABLE ITEMS RELATING TO DRIVERS AND OPERATORS OF PLANT

All chargeable items shall be paid by the Hirer at the rates set out in the Contract save that any subsequent increases before and / or during the Hire Period arising from awards under any wage agreements and / or from increases in the Owner's statutory contribution shall be charged as additions at cost by the Owner and shall be admitted and paid by the Hirer.

Travelling time, fares and similar expenses for drivers, operators and any person supplied by the Owner, incurred at the beginning and end of the Hire Period and where appropriate return fare of the driver, operator and any person supplied by the Owner to his home will be chargeable at cost. No charge shall be made by the Owner for any such expenses incurred by other employees of the Owner for the purpose of servicing, repair or maintenance of Plant, unless necessitated by the Hirer's negligence, misdirection or misuse of the Plant.

28. FUEL, OIL AND GREASE

Fuel, oil and grease shall, when supplied by the Owner, be charged at net cost or an agreed estimate of net cost, and when supplied by the Hirer, shall be of a grade or type specified by the Owner. b) The Hirer shall indemnify the Owner against any charges or fines that the Owner may become liable for as a result of the operation of the Plant during the Hire Period.

33. PROTECTION OF OWNER'S RIGHTS

(a) The Hirer shall not re-hire, sell, mortgage, charge, pledge, part with possession of or otherwise deal with the Plant except as provided under clause 15 and shall protect the same against distress, execution or seizure and shall indemnify the Owner against all losses, damage, costs, charges and expenses arising as a direct result of any failure to observe and perform this condition except in the event of Government requisition.

(ii) Shall not affect the Owner's right to claim damages for breach of Contract or recover any sums due under the Contract as a debt. (e) If the Hirer does not make payment of a sum by the final date on which payment is due to be made, the Owner has the right to suspend performance of its obligations under the Contract. The right to suspend may not be exercised without first giving to the Hirer at least 7 days notice in writing of the Owner's intention to suspend performance, stating the ground or grounds on which the Owner intends to suspend performance. The right to suspend performance will cease when the Hirer makes payment in full of the amount due.
